PROPERTY DESCRIPTION

Built in 1987, this spectacular 5BR/4BA sits on Crystal Lake!! Gourmet kitchen updated w/SS appl., Silestone countertops & breakfast bar. Attached four season sunroom is a great place to enjoy your morning coffee or tea. The brick wood burning fireplace in the great room is accented with a dentil work mantel and crown molding accents, which blend richly with the hardwood floors & oak vaulted ceiling. Three huge sets of sliding doors open to the deck to create another summer living space offering sweeping views of Crystal Lake and some of the best bass fishing around!

Upstairs, the master suite has a gorgeous updated bath with rich ceramic tile and a modern walk-in shower. With a large walk-in closet & a private loft facing the lake, you'll find yourself wanting to spend time in this room. Another spacious bedroom on the other side of the catwalk has a private bath as well, making it ideal for a guest suite or a teenager.

The finished lower level walkout is spacious and works well for entertaining with a media/theatre room, an amusement room large enough for a pool table, a craft room, a 5th BR & a 3/4 BA. The media speaker system extends through many rooms of the home as well as to the deck outside.

Outside, you'll enjoy the expanse of a corner yard, lots of trees offering privacy and a great fire pit. A storage shed can hold all the seasonal toys and fishing equipment. The dock is included, but you won't need a boat to get some of the best fishing the lake has to offer. They come right to you!
