PROPERTY DESCRIPTION

Step inside this spacious two story in the much desired area of Lynwood North and find your new home! Tiled entryway extends to the laundry room and half bath. The family room has a gorgeous brick gas fireplace with a maple mantle. In the gourmet kitchen, you'll have a brand new laminate floor, extra tall cabinets that reach to the ceiling and a very large center island with more cupboards and a breakfast bar. Pendant lighting over the sink compliments the ceiling fan that operates on a remote control. The appliances are all brand new stainless steel by Frigidaire. The built in desk even has a keyboard tray.

For larger crowds, you can spread out into the formal living room and dining room. Both have neutral carpeting and paint and are separated by low wall bookshelves. The living room has a wonderful bay window overlooking the front yard gardens.

The upper level has a very large master bedroom with a walk-in closet and a gorgeous tiled bath, complete with a soaking tub and a separate shower. Accessible only from the master bedroom is a bonus room. Create a private sitting room, a nursery, an office or workout room. The possibilities are endless. There are two more bedrooms on this floor as well as a loft area and a full bath with a linen closet. Two more linen closets in the hall hold all your essentials.

The lower level walkout has a family room just made for those gatherings where some want to play pool or card games and some want to just lay back and watch a movie in front of the fireplace. Surround sound speakers bring the movies to life! When you're done, store all the games and movies in the great built-in cabinets. A wet bar in this room keeps you from running up to the kitchen for the snacks and beverages. The large storage room and workroom offer the getaway for the handyman.

This home sits on a large lot on a cul-de-sac type circle and is in the Lakeville North High School boundaries. The backyard has in-ground irrigation and is landscaped with terracing, perennial gardens and lots of mature trees for privacy. The large deck comes with a covered pergola, offering a shady respite in the summer. The roof is new and the house is to be painted this spring or early summer.
